

# **Nev-R-Dun Farm**

## **Plant List 2024**

**4" pots = \$4.50**

**(The year noted with some varieties indicates when we started saving our own seed.)**

**All plants are open-pollinated. No plants are hybrids(F1).**

### **Tomatoes – Small**

#### **Black Cherry - 2014**

Delicious, small, sweet tomato. Tastes like candy, only it is good for you!

#### **Fox Cherry - 2002**

Prototypical cherry tomato with full flavor. Great producer.

**Goldtreffen – 2003**

Plum sized gold tomato. Sweet and delicious.

**Tomatoes – Medium Sized Slicing**

**Black Krim – 2009**

Dark red variety with excellent flavor.

**Cosmonaut Volkov – 2007**

Best flavored red slicing tomato we have encountered.

**German Johnson – 2019**

Larger sized medium with dark pink flesh and excellent flavor.

**Goldie – 2010**

Gold colored sturdy fleshed tomato. Reliable.

## **Tomatoes- Large Slicing**

### **Brandywine – 2004**

Large, pink heirloom tomato with legendary flavor.

### **Cherokee Purple – 2004**

Large, purple heirloom tomato rated amongst the best flavored.

### **Kellogg's Breakfast – 2010**

Large, meaty, flavorful tomato.  
Good producer.

### **Mortgage Lifter – 2021**

Famous, large red tomato. Very tasty.

**Pineapple – 2010**

Large yellow tomato with red splashing and excellent flavor.

**Pruden's Purple – 2017**

Very large pink tomato similar to Brandywine, but bigger.

**Yellow Brandywine – 2008**

Large, yellow tomato with excellent flavor. Split resistant.

**Tomatoes – Paste**

**Grandpa Henry – 2013**

FANTASTIC paste tomato! Very large and sweet!

**San Marzano – 2003**

Gourmet heirloom paste tomato. Leaves Romas in the dust, so to speak.

## **Tomatillos**

### **Purple de Milpa – 2002**

Best flavored tomatillo period. Main ingredient in salsa verde.

## **Peppers- Sweet**

### **Golden Cal – 2020**

Large, thick walled, sweet yellow bell peppers.

### **Orange Bell – 2020**

Large, thick walled, sweet orange bell peppers.

Large, thick walled, sweet red bell peppers.

### **Sweet Chocolate – 2020**

Sweet, thin walled, oblong peppers that are chocolate in color.

## **Peppers – Chile**

### **Cayenne – 2020**

Prolific hot pepper. Great dried or made into hot sauce.

### **Poblano – 2020**

Mild hot pepper. Known for stuffing and roasting (Ancho).

## **Eggplant**

### **Black Beauty**

Purple Italian eggplant.

### **Jalapeno – 2020**

The classic hot pepper. Goes great in everything.

### **Serrano – 2020**

Small hot pepper used often in salsas.

## **Cucumber**

### **Sweet Marketmore – 2004**

The best flavored cucumber we can find. Sweet and prolific.

## **Squash – Summer**

### **Bennings Patty Pan**

Sweet, light colored patty pan.

### **Costata Romanesca**

Sweet, sturdy heirloom zucchini. Great for bread, grilling, etc. Best we've found.

### **Yellow Crookneck**

Heirloom, sweet crookneck squash.

## **Herbs**

**Genovese Basil**

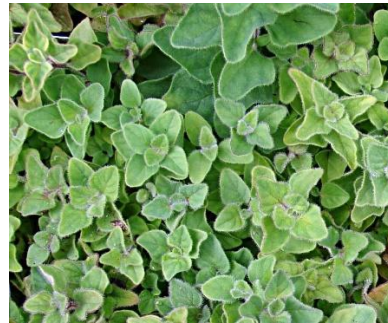

**Chives**

**Garlic Chives**

**Greek Oregano**

**Italian Flat Leaf Parsley**

**Thyme**

**Sage**

## **Flowers – Annuals**

**Pacific Beauty Calendula – annual heirloom. 12 – 24” tall. Prefers cool conditions.**
